

Weed-free turf!

DACTHAL® W-50 now available for professional applicators

Now Dacthal, the proven pre-emergence herbicide, is available in a professional package. Look for it in this bag if you do commercial application work on golf-course greens and fairways, parks, rights of way, etc. For full information, contact your distributor or write Diamond Alkali Company, 300 Union Commerce Building, Cleveland, Ohio 44114.
